ASCII Design

Absolutely. I'd make the page feel like **evidence first, explanation second, offer third**.

THIS ISN'T ONE BODY.
Real people. Different ages. Different starting points.

WHAT ARE THEY DOING?
THIS IS NOT A FITNESS CLASS.

```
[TXT]
NLF is a practice for understanding your own body through
movement.

Instead of forcing everyone into one correct form, you
explore how your nervous system, structure and muscles
work together.

                  [VID] WORKSHOP FILM
  30–60 sec montage
  • Travis teaching
  • Members exploring movement
  • Different ages
  • Pair work
  • Coaching
  • Laughter / real moments
                    ▶ PLAY

              "Freedom starts with freedom
                     of movement."

                          ↓
